PERFORMING & VISUAL ARTS DEPARTMENT

Dance Achievements

Recently two of our high performing dance students have been very successful in their endeavours. Baedyn McClelland (Year12) is an outstanding performer. Baedyn successfully auditioned in Brisbane for Creative Generation 2013. Baedyn was selected as a featured dancer in the CGen Dance Company. To do this he had to audition against hundreds of other talented students from around the state. Baedyn was also successful in auditioning for the Raw Tap Team. He is only one of 20 students in the state who will be working with the Raw Tap Company. This is a fantastic opportunity for Baedyn as he will be working with, and learning from, dance professionals.

Geraldine Petersen (Year10) is a fantastic performer in dance. Geraldine successfully auditioned at the McDonald College in Sydney. The McDonald College is a specialist school in the performing arts. For example, from year 7 onwards students can specialise in Classical Ballet, Acting, Dance, Music or Musical Theatre. Should Geraldine accept the offer she will need to move to Sydney and repeat a year of school. Congratulations Baedyn and Geraldine!

Music Studies
Senior Music Studies students now have opportunity to record their music at school. In this class students are able to develop their skills in music through practice and rehearsals. New sound recording technology, microphones and equipment now make it possible for students to perform live and record. Many thanks to Mr Kelsey Allen and Mr Trevor Scott for making this happen for our students.

Instrumental Band Camp
At the end of term one our Instrumental Music students were a part of a very successful Instrumental Music Camp at Tully State High School. 96 students, from grade 5 to grade 12, attended from all over the region and travelled from Dimbulah, Mareeba, Atherton, Malanda, Ravenshoe, Innisfail and Tully to be part of a fantastic three day camp. Students had the pleasure of working with numerous, talented instrumental teachers and learning new music. Sectionals were divided into two large bands, a strings ensemble and there was also a mass choir. Some of the other activities on camp included sport, swimming, games, and a talent night. The camp culminated in a public performance for the Tully community.

I would especially like to thank Ms Kristy Braes and Mrs Kirsten Towne for all their wonderful work on camp and supporting our instrumental music students. Well done everyone!

Gymnastics
Gypsy Aitken (Year 10) is a talented performer in the Arts and in Gymnastics. Gypsy is a member of the Mareeba Gymnastics Club. Recently Gypsy qualified for the State Gymnastics Championships in Brisbane. The championships will be held in June, Gypsy scored an average of 50.6 across the events of Beam, Bars, Floor and Vault at a Gymnastics competition in Cairns. Her favourite event is the vault. To achieve at this high level Gypsy trains for up to nine hours per week. Congratulations Gypsy on your success!

Portraits Photography Workshop
This week year 12 photographic students had the opportunity to explore the combined roles of being a stylist, model and photographer for a day. I was impressed with how organised and prepared our students were for the task. Nearly 15 GB’s of digital photographs were taken during the workshop. Students are now working on the process of saving, filing and editing their work in Photoshop. Congratulations students on an outstanding effort!

PRINCIPAL’S WORDS

This week is State Education Week – State Schools really are Great Schools – check how well our students are achieving. I am so very proud of our young people who are having a go and seeing positive results for their endeavours:

- Cambodia volunteers
- ANZAC Day representatives in Mareeba, Dimbulah and Mt Molloy
- Year 10 science and engineering challenge participants twice winners in 3 years
- Brain Bee team (finalists for the 6th year running)
- District Cross country team
- Indigenous Leaders of Tomorrow

On another note, you or your child may receive a postcard for positive behaviour at school. It is one part of the School-Wide Positive Behaviour Support (SWPBS) program. SWPBS provides multiple layers of support for your child to keep them happy and safe at school. It also explicitly teaches our young people how to behave appropriately in a range of school and social situations.

Lastly, next week is NAPLAN for Year 9 students. I wish them all the best with these important assessments.

Warm regards to all families,

Jo Soothill
PRINCIPAL

SCIENCE AMBASSADORS

For the past five years, the University of Queensland has asked Mareeba High to nominate two Year 11 students to be Science Ambassadors. Science Ambassadors must be students who have demonstrated an interest in science throughout their junior years at high school and are studying at least two science subjects in Year 11. This year’s ambassadors are Sonya Coyle and Brock Hawke. Their duties will include publicising science events and activities to the school and wider community.

Christina Ellacott — Senior Teacher, Gifted & Talented Coordinator

BRAIN BEE CHALLENGE

This year we had 6 students sit the first round of the Brain Bee Challenge, the sixth year Mareeba SHS has been involved in this University-level neuro-science and brain anatomy competition. Over 5,500 students across Australia sat this competition, and the top 6% of students in each state compete in the State Final. Mareeba SHS is proud that all six of our students will now go on to compete at the State Final – the sixth year in a row that we have had representation at this high level!

The students now have to learn a new 94 page book called Brain Facts for the next round of the competition which will be held at the Queensland Brain Institute Tuesday June 18th.

SCHOLARSHIP SUCCESS

Last year Rebecca Martens applied for and won a $20,000 Supporting Women Scholarship which was awarded to young women studying in non-traditional areas.

With her very strong maths ability and choice of architecture as a degree, Rebecca was exactly the sort of candidate they were looking for.

This is a photo of Rebecca receiving her award from the Premier and the Minister for Education. Rebecca will receive $5,000 per year over four years.

Another great success for Mareeba High!

Christina Elliott—Senior Teacher/Gifted & Talented Coordinator

YEAR 10 LAPTOP TAKE HOME SCHEME

Year 10 Students are invited to join our Laptop Take Home Scheme

A batch of 155 Acer Iconia W701 tablet computers have been ordered by the Mareeba State High School using federal government, Queensland government and school funding. Students joining the scheme will be able to use the device at school and home, weekends and holidays including the Christmas holidays. YEAR 7 SCHOOL TOUR

A successful Year 7 School Tour was well attended on Tuesday 30th April by both students and parents alike. The auditorium was overflowing with curious and eager faces.

Our senior students escorted parents and future students around the various school facilities.

The quote of the night belongs to one year 7 student who said to his parent

“I’d love year 8!
Can I start year 8 tomorrow?”

For more information about enrolling your child please contact the school office on 4086 2777.

2013 PUBLIC HOLIDAY

There is some level of confusion regarding changes to the dates that the following Public Holidays are observed.

The Labour day holiday has been moved from May to October. On Tuesday, 30th October 2012, amendments to the Holidays Act 1983 were passed by Parliament prescribing that from 2013, the Birthday of the Sovereign (Queen’s Birthday) public holiday is to be observed on the second Monday in June (10th June 2013) and The Labour Day public holiday is to be observed on the first Monday in October (7th October 2013).

EVERY DAY COUNTS REWARDS

Each week on Year Level Parades students with 100% attendance go into a draw to win prizes. At the end of Term 1 all of these students went into a major prize draw. Five lucky students from years 8 to 12 won an iTunes voucher. Well done to all of our students who attend school every day!

ENGINEERING CHALLENGE

During the first week of this term 19 Year 10 students attended the Science and Engineering Challenge organised by James Cook University. The students were required to compete against other schools in a variety of different challenges including bridge construction, car suspension and environmental house design. It was an excellent day and all the students worked hard on the challenges they were presented with. This hard work paid off and Mareeba State High School was announced as the overall winners of the competition.

2013 CAMBODIA CULTURAL EXPERIENCE

During the Easter School Holidays seven of our Year 12 students, along with Mrs Daly, Mr Ralph and a parent, Mrs Sexton, travelled to Siem Reap to Cambodia to volunteer at the New Hope Cambodia School. Not only were we fortunate enough to teach English to the students at the New Hope Cambodia School, but we also got to visit these children and their families in their villages. The school children were a delight and our students bonded with them immediately.

As well, we had time to visit Angkor Wat and other temples of Siem Reap, the killing caves, war museum, silk farm, and the many markets. We ate many of the local foods and were entertained by traditional Apsara dancing. The whole experience was life changing for all of us and we would like to thank everyone who donated gifts, stationery or clothing to take with us. We would also like to thank the many generous people who donated enough money to allow us to donate 33 bikes.

Our students, Rikki Olufson, Thomas Heta, Jessica Sexton, Curtis Midgley, Brendan Price, Denise Saunders and Cassidy Rae Gvney were excellent ambassadors for Mareeba State High School. We would like to thank them for being so amazing and for helping to make this an experience of a lifetime.
