

Student Resource Scheme 2025 –Year 9

The purpose of the scheme is to provide the parent/carer with a cost-effective alternative to purchasing the prescribed textbooks, resources, consumables and/or materials from elsewhere, through reduced prices gained from the school's bulk purchasing processes.

In recognition that these costs can be high, Mareeba State High School operates a Student Resource Scheme that enables a parent/carer to enter into a written agreement with the school that, for a specified annual participation fee, provide the necessary resources and consumables as outlined in the scheme.

Payment of the participation fee and Participation Agreement Form is a requirement for participation in the scheme and continued participation. Students will not be able to participate in non-curriculum activities if there are outstanding fees or have an outstanding payment plan. A parent/carer who does not wish to participate in the scheme shall inform the school in writing. If the parent/carer does not wish to join the scheme then it is their responsibility to provide the student with all items that would otherwise be provided to the student by the scheme as detailed below.

Student Resource Scheme (SRS) charge consists of 2 schemes, *Core SRS fees & Elective SRS fees*. The Textbook & Resource allowance of \$160 will be deducted from the Core SRS. The Elective SRS fees will be invoiced when the timetables are finalised in February 2025.

The fees are to be paid in full by **Friday 21st March 2025** or the Parent/Carer to enter into a Payment Plan which can be done through Centrelink payments, direct deposits or School Payment Plan. If you wish to pay for the fees by direct deposit the school's bank account is BSB 064-812 Account Number 00090265. To ensure correct identification of the payment, please ensure that the EFT payment reference clearly includes the STUDENT NAME.
