High School

2021

Tuesday 19th October

Mareeba

State High School

62nd PRESENTATION EVENT

PRINCIPAL'S MESSAGE

2021 has certainly been very different. There has been a lot of learning required to ensure the communication is maintained within the community. Our regular celebration for the whole school has been turned into an online event. That has been challenging.

The support from the Mareeba community has never wavered. I would like to thank the community for continuing to show faith in the school and supporting the outstanding efforts by the students. They are an amazing group of young leaders.

With the Dux no longer being awarded this year and the amalgamation of the Presentation Event with the sports awards, this event is something that we have never seen before. My thanks to the Year level coordinators, the senior leaders along with main organisers Mandy Lindsay, Theresa Bale, Andrew Deacon, Narelle Duncan and Stefanie Prizmic. Your support has been much appreciated.

To all award winners, you have shown a great ability to progress in these uncertain times. Even though it may not feel like it at present, the resilience you have shown this year will stand you in a great position for the rest of your life. Being successful in such a tough year is a credit to you and your family.

Congratulations and well done everybody in the Mareeba community.

Scott Whybird
Principal
